Subject: OBTAINING SECURITY STATUS BY LOCAL AND INTERNATIONAL OIL AND GAS EXPLORATION & PRODUCTION COMPANIES IN KHYBER PAKHTUNKHWA

Respected Sir,

I am directed to refer to the subject noted above and to state that Government of Khyber Pakhtunkhwa through its Provincial Holding Company (Khyber Pakhtunkhwa Oil and Gas Company Limited- KPOGCL), has embarked upon exploring the huge reserves of oil and gas in the province. To this effect, KPOGCL is acting as "One Window of Operations" between all concerned (Administration, Security and other relevant echelons) and the said foreign and local Oil & Gas Exploration and Production Companies in the country. However, it has been observed that E&P Companies are directly approaching various security agencies for seeking information regarding the prevailing security situations in their respective oil and gas producing blocks. One of the example is M/s Tullow, as they have approached 11-Corps HQ Peshawar for updating on security situation (forwarded vide DGPC's letter No.CDN-3 (2)/2014-Provinces Matters dated 26th February 2015).

2. It is therefore requested that all E&P companies operating in Khyber Pakhtunkhwa may be directed to forward such requests to Energy and Power Department and/or KPOGCL in the future, being a focal point for correspondence with all relevant offices at Provincial level.

Yours faithfully

Subject: REQUEST FOR PROVISION OF SECURITY FOR OIL & GAS EXPLORATION & PRODUCTION IN KHYBER PAKHTUNKHWA.

Dear Sir,

I am directed to refer to the subject noted above and to state that it has been observed that various oil & gas exploration & production companies directly interact with your offices for obtaining security clearance.

This trend creates ambiguities which need to be addressed. It is important to note that Khyber Pakhtunkhwa Government has established a Fully Owned Holding Company, KPOGCL, which has been entrusted with a task of acting as an Interface / 'One Window Operator' between the said exploration & production companies.

In view of the above, you are requested to direct such oil & gas exploration and production companies to route their requests through Energy & Power Department, Khyber Pakhtunkhwa so that the department remains in full picture about activities going on as well as to able to maintain record.
